SUMMER OFF the streets 2014

Look inside for
lots of fun
activities for
children and
families

Welcome to Cotswold District Council's 2014 'Summer off the Streets' programme, now in its eighth year. Inside you will find information about a wide range of activities for children, young people and families that are taking place over the summer holidays. From arts and crafts, cookery, bushcraft and sport, to Family Fun Days and 'Scratch and Skate' festivals, there is something for everyone.

How to book: Some activities are free and you can just turn up on the day; for others you need to book and/or pay in advance. For activities requiring booking, you can simply book online at www.worldjungle.org.uk or if you do not have internet access please telephone 01285 623405 for assistance.

Additional needs: We have tried to make 'Summer off the Streets' accessible to everyone. If your child has additional needs, please contact World Jungle as early as possible so that we can discuss the support you require.

Acknowledgements: Cotswold District Council would like to thank those district councillors who have contributed part of their Youth Activities Funding to this year's Summer off the Streets programme. We would also like to thank Cirencester Town Council for their financial support, World Jungle for managing the programme and all our other partners who have contributed to what we hope will be another summer of fun.
