

Changes to your waste collection service

Cotswold District Council is improving the efficiency of your waste collection service. Working with our waste contractor Ubico Ltd, we have changed some of the collection zones which will balance the workload more evenly, and cost-effectively, across the district.

The changes come into effect week commencing 19th September 2016 and about 70% of households will see a change in their waste and recycling collection days. You may be included in the change.

If you are affected, you will receive a letter and calendar in the post, which explains your new collection day. For further information, visit www.cotswold.gov.uk or call the Waste Hotline on 01285 623123

Your NEW Collection Calendar

Day	Collection Type
Friday	
26 September 2016	Everything
03 October 2016	Food/Garden

Refuse, Recycling and Food/Garden Waste Collections

This calendar shows when we will collect your refuse, recycling and food/garden (subscribed service) waste. Please see us for more information on these services and where to dispose of your household waste.

THANKS a SMILE

Recycling and composting in Cotswold District residents has saved almost £1.7 MILLION in tax costs every year.

Everything = refuse, recycling, food & garden waste

Change to normal schedule

Your waste collection is changing

Date: xxx
Dear Resident,
Changes to your waste collection service

Cotswold District Council is improving the efficiency of your waste collection service. Working with our waste contractor Ubico Ltd, we have changed some of the collection zones which will balance the workload more evenly, and cost-effectively, across the district. The changes come into effect from 19th September 2016 and about 70% of households, including yours, will see a change in the waste and recycling collection days.

From week commencing 19th September 2016, your collection of food (and garden waste if you subscribe to this service) will change to a fortnightly collection of refuse and recycling will be made on **XXXDAY**

Collections are made throughout the day and collection times will change, so please ensure that all containers are presented at 7am (unless you receive an assisted collection).
