

APRIL 2020

NEWS SHEET

For the Parish of Newington Bagpath with Kingscote

During the Coronavirus epidemic, this replaces the Forerunner magazine and recognises the reduced community activity and information need. Further changes are of course likely.

The Vicar's Letter

The normal activities in the Village Hall such as the Coffee Morning, the Film Night, and the Book Club have not been mentioned as it is obvious that they would violate the orders of the government.

- Our church buildings are closed for public worship and for private prayer. There can be no weddings in church building until further notice. Emergency baptisms can take place in hospital or at home, subject to physical distancing.
- Funerals can only happen at the Crematorium or graveside. Only immediate family members can attend subject to crematorium permission – spouse or partner, parents and children. Prescribed spacing to be maintained in the small group of mourners.

With prayers and blessings,

Rev. Caroline.

Mobile Post Office
The van will call at the Village
Hall on Monday and Thursday
mornings between 9:00 and
10:00 am.

Parish Council Announcements

We are pleased to report that the minor roads in the parish have remained almost entirely free of litter since the clean-up in February. We would like to thank all who have contributed to this success either by not littering or by picking up odd items.

During these difficult times, it is more important than ever for communities to look after their elderly and vulnerable members. Please therefore can we all look out for neighbours who we know to be less able to cope for themselves, or who may be in self isolation. Even if they don't need your help, they might like some company, so please check up on them regularly.

Sebastian Cooper

Cotswold District Planning Applications

Calcot House - Construction of stable block.

5 The Walled Garden - Erection of summerhouse.

Bagpath Court – Alterations of threshing barn to create one independent dwelling.

Scrubbets Farm – Change of use of existing agricultural buildings to dog kennels.
