

Community engagement event at the Matara Centre: Sunday 1st October

Do you enjoy using the Meadow at the Matara Centre? You may visit it for a walk or dog walk, or perhaps just to sit and enjoy the wildlife and beauty of the surroundings. If so, you may be interested in finding out and having a say about its future, its management and its use by the local community over the coming years.

A community engagement event will be held in the grounds of the Matara Centre on Sunday 1st October from 11.00am to find out more about Geoffrey Higgins' vision for the area and how we

can all help to make this a facility enjoyed by our local community into the future. The presentation and discussion will be followed by a 'bring and share' picnic lunch and a walk around the area. Everyone with an interest in learning more about the Matara grounds is invited to come along and bring food to share.

You are welcome to stay for all or part of the event, and the timetable is set out below.

To help get an idea of numbers expected, please let Tony Wooldridge know if you plan to come: tony.wooldridge1@gmail.com or 07966 186593.
